

Sharing the Feast
Thanksgiving Basket Project

Thanks to the generosity of our congregation, and to the Boy Scout food drive which helped us out, we have collected all the non-perishable items which we need for our Thanksgiving basket program. As part of our service on this Sunday, we will build a cornucopia. The fresh vegetables and fruits you contribute that day will be added to the baskets which we have prepared.

Thank you for your support with this important mission project.

Monday November 19th
